AMC Board Minutes - February 11, 2013 (cont)

New Business

Outing Leader Dues Waivers - Douglas Matson lead a discussion of potential improvements to the club policies and procedures regarding dues waivers for outing leaders. The issue will be brought back at a future board meeting.

Membership Committee Chair - The Board appointed Erin Matson as the new Membership Chair. Bill will recognize the long and dedicated contributions of Rogil Schroeter in this position.

Outing Postings - David McClintic lead a discussion of the AMC outings posting process & policies. The Board decided to let the Outing Leader for any event use his or her judgment on gear. The Board authorized a change in published policies and procedures such that the wording "Official AMC Outing" will be sufficient in publications designating what are the official AMC outings versus those that may be "Billboard" type of activities that are not official AMC events.

Outing Leader Apprentice Process - Bill presented an overview OL apprenticeship process. David McClintic presented a draft package of the documents representing the policies, procedures, and forms associated with AMC Outing Leadership. The Board authorized David to lead a sub-committee chaired by himself with Douglas Matson and David Sampson to review existing policies, procedures and forms with an eye of putting together a user-friendly package of materials that will help Outing Leaders and Outing Leader Apprentices move through the process. The sub-committee will report back to the Board.

AMC Canyoneering Interest Group - Bill introduced the concept of forming a Canyoneering interest group, possibly modeled on Mountaineering committee and processes where there are no official Mountaineering Outing Leaders but instead there would be a process to match Outing proposals with the skills and qualifications of the Leader. Bill stated that the Board will need to revisit this process and it may involve identifying a Chair of a new Committee and potential committee members who could lead the introduction of this new AMC effort if and when the Board authorizes it. This will be a topic for discussion at the next Board meeting.

T-Shirts – The t-shirts are ordered and expected to be ready for pick up at the February Member Meeting. An email announcement will be sent out when they actually arrive.

Archiving and maintenance of AMC records. – tabled for a future meeting

Old Business

Club Docs – Bill stated that he is continuing this project.

Adjourn

The meeting was adjourned at 9:04 p.m.

RED ROCKS CLIMBING!!!

Red Rock Canyon National Conservation Area offers everything a climber could possibly dream of. From difficult, but incredibly fun bolt edge pulling sport routes, to clean, traditional long lines in the Canyons, to day long multi-pitch adventures. Red Rocks has everything. The rock is mostly bullet hard Aztec sandstone. Red Rocks has something for everyone, from beginner to expert, sport and trad climber. With thousands of established and still unclaimed routes, there are multiple lifetimes worth of climbing to be done. Come learn about it from someone who's been loving climbing there for almost 20 years, Xavier Wasiak.

Xavier is a 36 year resident of Las Vegas, Nevada. He enjoys climbing his home crag of Red Rocks best, but has also climbed for many years at neighboring areas including the Sierra Nevadas, Needles of California, Tuolomne Meadows, Indian Creek, City of Rocks, and others. The adventure of climbing is what Xavier values the most and hopes to enjoy for as long as his limbs will let him.

Xavier will share images and memories of some of the longer adventure routes at Red Rocks, as well as impart some history and stories of this wild and still developing world climbing destination. He will also discuss some of the issues facing climbing at Red Rocks and how they are being managed to ensure continued access to the area.

As always, guests are welcome.

AMC Anchors School: Spring 2013

The AMC Climbing Anchors School teaches participants how to set climbing anchors for top-roping. This course is the logical next step for AMC Basic Climbing School graduates.

Class curriculum:

- Tuesday: Learn anchor components, anchor types, knots and hitches.
Thursday: Learn anchor system characteristics and construction.
Saturday: Gain experience setting anchors by practicing “hands-on” scenarios under instructor supervision.
Sunday: Apply newly learned skills setting real anchors on an optional climbing day. This session is a climbing outing where students set the anchors under instructor supervision and then spend the day climbing.

Class schedule:

April 9	Tuesday	6:00 pm–9:30 pm	*Scottsdale Cactus Park
April 11	Thursday	6:00 pm–9:30 pm	Scottsdale Cactus Park
April 13	Saturday	8:00 am–4:00 pm	Climbing area to be announced during class
April 14	Sunday	7:00 am–5:00 pm	Climbing area to be announced during class

***Cactus Park is located on the northeast corner of Cactus Rd. and Scottsdale Rd in Scottsdale.**

Experience required: AMC Basic School graduate or equivalent, which must include knowledge of how to belay, rappel, prusik, tie a figure-8-on-a-bight and figure-8-on-a-follow-through, and make a girth hitch.

Cost: \$95 plus membership if not already a member (\$30 for an individual and \$35 for a family). Membership is good through Dec., 2013. Register by the Paypal link on the website (<http://www.amcaz.org/anchorsRegistration.asp>) or if you need to send a check you can contact Nancy Lust amcanchorsschool@gmail.com for the address. No credit cards accepted. The registration fee is fully refundable if you cancel. Contact Nancy Lust by email: Anchors.School@amcaz.org for more info. The number of students will be limited to 36.

Equipment required for the class:

- 2 non-locking “D” or oval carabiners (at least 2, bring more if you have them)
- 3 locking carabiners (at least 3, one of which should be a parabiner)
- 1 rappel/belay device (Trango Jaws, Black Diamond ATC, Trango Pyramid, Figure-8, etc.)
- 1 climbing harness
- 1 ea 4’, 6’, 10’ 6mm prusiks (untied length)
- 2 ea 5’, 10’, 20’ slings (1” tubular webbing, untied length, AKA runners)
- 1 or 2 personal anchor slings (commercial daisy chains or 4’ sewn Spectra runners or equivalent)
- 1 helmet—**required for Saturday and Sunday sessions**, helmets are available if you do not have one.

(The slings and harness are the only additional equipment needed over the Basic School requirements)

This class is designed to teach you how to set top-rope anchors. In order to become independent and set your own anchors, you should start acquiring anchor gear. These purchases will be limited by how much money you want/have to spend and how much interest you have in climbing independently. The following gear is not required for Anchors School, but if you have some, you will be able to practice setting it in class. All of the gear recommended below can be used for Lead School, and none of it will be wasted if you intend to set your own anchors. All gear should be marked prior to bringing it to class to prevent confusion between it and other people’s gear. If you don’t know how to mark gear, check with an instructor before doing so to avoid weakening equipment due to improper marking.

Other gear you may want to bring:

- Any pro you may have (hexes, nuts, camming devices, Tri-cams, etc.)
- Extra biners (regular D’s, ovals, and lockers—stay away from specialty biners at this time)
- Extra slings (perhaps four 5’, two 15’ slings, untied lengths)

Thank You, Rogil

On behalf of all AMC Members, past and present, I want to express the deepest appreciation and thanks to Rogil Schroeter. A member of the AMC since 1986, Rogil has served as chair of the Membership committee for 21 years. In this role, she has single-handedly managed the extensive membership database, hounded us to keep current with our dues, made sure we received our membership cards, and generally mothered the lot of us.

Don't panic! Rogil's not going away, but she is passing the torch to Erin Matson who has graciously accepted the role of AMC Membership Chair going forward. Look for Erin's contact info in the monthly newsletter for any membership questions.

Thank you, Rogil and welcome, Erin!
